## My Informational Picture Book

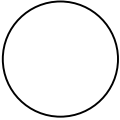

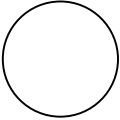

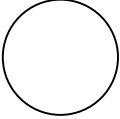

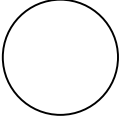

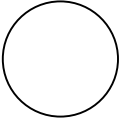

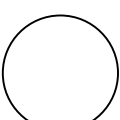

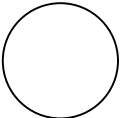

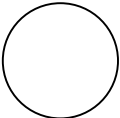

This informational picture book shows that when I write...

---

---

---

**Directions:** Read each sentence, and draw a face that best describes how you feel about the statement.

1. I wrote my name and date on the cover.  	2. The cover shows the title of my book.  
3. The illustration on the cover is connected to the main subject of my book.  	4. The pages in the book tell something important that I learned about the subject.  
5. The illustrations on each page help the reader follow the story.  	6. I used a capital at the beginning of each sentence.  
7. I read my work, and it makes sense.  	8. I did my best.  

Teacher Observations:
